

THOUGHTS HAVE WINGS

You Can Influence Others
With Your Thinking!

TRY IT SOMETIME. Concentrate intently upon another person seated in a room with you, without his noticing it. Observe him gradually become restless and finally turn and look in your direction. Simple—yet it is a *positive demonstration* that thought generates a mental energy which can be projected from your mind to the consciousness of another. Do you realize how much of your success and happiness in life depends upon your influencing others? Is it not important to you to have others understand your point of view—to be receptive to your proposals? How many times have you wished there were some way you could impress another favorably—*get across to him or her your ideas?* That thoughts can be transmitted, received, and understood by others is now scientifically demonstrable. The tales of miraculous accomplishments of mind by the ancients are now known to be fact—not fable. The method whereby these things can be *intentionally*, not accidentally, accomplished has been a secret long cherished by the Rosicrucians—one of the schools of ancient wisdom existing throughout the world. To thousands everywhere, for centuries, the Rosicrucians have privately

taught this nearly-lost art of the practical use of mind power.

Do Unseen Powers Direct Our Lives?

ARE the tales of strange human powers false? Can the mysterious feats performed by the mystics of the Orient be explained away as only illusions? Is there an intangible bond with the universe beyond which draws mankind on? Does a mighty Cosmic intelligence from the reaches of space ebb and flow through the deep recesses of the mind, forming a river of wisdom which can carry men and women to the heights of personal achievement?

Have You Had These Experiences?

..... that unmistakable feeling that you have taken the wrong course of action, that you have violated some inner, unexpressed, better judgment. The sudden realization that the silent whisperings of self are cautioning you to keep your own counsel—not to speak words on the tip of your tongue in the presence of another. That something which pushes you forward when you hesitate, or restrains you when you are apt to make a wrong move.

These urges are the subtle *influence* which when understood and directed has made thousands of men and women masters of their lives. There **IS** a source of intelligence within you as natural as your senses of sight and hearing, and

more dependable, which you are **NOT** using now! Challenge this statement! Dare the Rosicrucians to reveal the functions of this Cosmic mind and its great possibilities to you.

Strange Keys to the Powers of the Universe

"GOD GEOMETRIZES," said an ancient sage. Within the straight line, curve, and angle—and their combinations—exist the forces of creation. These *secret symbols* contain the mysterious laws of the universe. Upon their right use—or the neglect of them—the success or failure of every *human enterprise* depends.

Have you a desire, *something you wish to accomplish* in life? Put your finger on a dot. In whatever direction you move your finger from the dot, you have made a beginning. Thus a dot is the symbol of *one*—or a beginning. Your desire then is also symbolized by *one*. If you follow the *proper method* or way to accomplish what you want, you have arrived at point *two*. Whenever these two symbols are brought together—the idea and the right way—you produce point *three*—the success of your plan. Success, therefore, is symbolized by the three equal sides of a *triangle*.

In planning your personal affairs—business, domestic, or the welfare of your family—do you use a *Cosmic formula*? Do you determine whether your acts are in accord with Divine truths eternally expressed in symbols? Why does the circle represent completion? Why is it said that a man is on the square? These sym-

bols are used by astronomers and scientists to prove the physical laws of the universe—why don't you apply them to the problems of your everyday world? Learn what symbols, as powers and forces of nature, you can simply and intelligently use in directing the course of your life.

Mental Poisoning!

Thoughts That Enslave Minds..

Tortured souls. Human beings, whose self-confidence and peace of mind have been torn to shreds by invisible darts—the evil thoughts of others. Can envy, hate, and jealousy be projected through space from the mind of another? Do poisoned thoughts like mysterious rays reach through the ethereal realm to claim innocent victims? Will wishes and commands born in hate gather momentum and, like an avalanche, descend upon a helpless man or woman in a series of calamities? Must humanity remain at the mercy of evil influences created in the minds of the vicious? Millions each year are mentally poisoned—are you safe from this scourge? “Mental Poisoning” is the title of a book by Dr. H. Spencer Lewis, which fearlessly discloses this psychological problem. It is sensational in its revelations. Read it and be prepared.

INDECISION

Are You Torn Between Conflicting Desires?

Times are changing rapidly—events are not waiting for hesitant nations or men. You must know how to meet circumstances with all the intelligence and experience at your command **NOW**—or never. Re-

You Are The Measure Of All Things!

THE value of life lies within your own mind—good, bad, order, confusion, and a thousand other aspects of your daily existence are *not realities*—they are just reflections of your opinions. Once—as a child—you longed for candy suckers. Now you don't. What has changed? It is not the candy—it is your *mental attitude*. If life does not hold for you what you have hoped, if it is devoid of those things that make for happiness and accomplishment—you *need fourth dimension*. You need that *stimulated consciousness* whereby you can appraise things with a new value to yourself. You can not call the man or woman lucky who can convert commonplace circumstances into *personal achievements* and joyous

living. Fourth dimension of mind, or developed consciousness, makes this possible.

In Your Mind's Eye

The Secret of MENTAL CREATING

IF you just like to dream, read no further. There comes a time when your fancies *must* be brought into light—and stand the test of every-day, hard realities. Are you one of the thousands—perhaps millions—whose thoughts never get beyond the stage of *wistful wishing*? Do you often come to from a daydream with the sigh, "If only I could bring it about—*make it real*?"

All things begin with thought—it is what follows that may take your life out of the class of those who hope and dream. Thought energy, like anything else, can be dissipated—or it can be made to produce actual effects. *If you know how to place your thoughts* you can stimulate the creative processes within your mind—through them you can assemble things and conditions of your world into a happy life of accomplishment. *Mental creating* does not depend upon a magical process. It consists of *knowing how* to marshal your thoughts into a power that draws, compels and organizes your experiences into a worth-while design of living.

A NEW LIFE

Within Your Grasp!

RESHAPE YOUR FUTURE

WHAT would you give for a chance to begin life anew—not in a hereafter, but here on earth—with all of the advantages of your past experiences and with all of your mistakes behind you?

This is not a fantastic claim, or a bombastic statement—it is *reality*! The body you have today is not the one you were born with—each cell, tissue and fibre of your being has been reborn thousands of times—nature has seen to that—she has given your body many opportunities for growth and health. *But what of the you?* Are you following the same old routine of living of ten, fifteen, or twenty years ago? Can you see nothing in the tomorrow but the same uncertainties, sorrows, and hopes of today? If life is not what you would like it to be, it is because you do not know how to create the change.

Every animate thing lives—there is nothing unique about that—but living intelligently, knowingly, directing the course of your life—avoiding mistakes, converting opportunities into advantages—that is distinctly a human privilege. Let the Rosicrucians (not a religious organization) show you how *you* can accomplish this. IS THERE
An Invisible Bond
with the
Power Beyond?

HAVE we something to which we can tie fast? Does the cause which gave us existence still guide us or are we at the mercy of an inexorable fate? Have we been set adrift to fashion our own world — to stand or fall upon the feeble efforts of our own separate thoughts and acts? May not the longings we sense, the unspoken words that resound within the depths of our beings, be a tug at our wills by an infinite intelligence? Religious creeds and dogmas half reveal an *unbared truth* — that within man is a keyboard on which he can play upon the forces of the universe and compose a symphony of joyous living.

You are not dependent upon the mysterious agency of good fortune. You need not have blind faith or be resigned to the events of life. Like a *silver thread*, a sensitive nerve trunk binds you to the universe. Through it can come, if you but know how to direct it, the influx of *power, inspiration and vision* that has made some men geniuses but can give you, as thousands of others, self-assurance and a new source of influence over your affairs and conditions.

The World of Mysterious Phenomena

WHAT are the strange journeys of the soul? Who speaks the words you hear within? Are the visions you glimpse, and which lift you to the heights, pranks of the mind or are they momentary glimpses into a world of phenomena of which man is yet in ignorance? The word SUPERNATURAL rings throughout the world today as it has for centuries. But in this age an impartial investigation and a serious study of the unusual can be had. What Will The Future Reveal?

What lies behind the veil? What will the morrow bring forth? Men have brought burnt offerings to the gods, shared their worldly possessions, traversed mountains and plains to visit oracles, all in the hope of having revealed to them the unknown future, little realizing that it rested unshapen in their own hands. The minds of men have labored for ages with various devices and methods to fashion a key that would unlock the door that conceals the moment just beyond the present.

From antiquity the strangest of the systems attempting a revelation of the future has been numerology. Is it but a shallow superstition of the ages, or does it provide the means, sought since time immemorial, for a secret insight into the future?

The Ancient System of Numerology

The Reader's Research Academy presents a series of enlightening discourses on the subject of numerology. It is an exposé of the many false systems which have suppressed the truth about this fascinating topic. It goes back to the mystical meaning and divine virtue of numbers which formed the important part of the philosophy of Pythagoras. It discloses the trickery in the NAME NUMBER systems sold generally in book form.

Two of these especially prepared manuscripts will be sent for the nominal sum of 50 cents monthly. You may subscribe for but one month, or as many months as you desire. The discourses are easily understood and they will prove interesting and entertaining to you. Just send your remittance and request to the address below.

The Spark of Genius

... HOW TO KINDLE IT

Flowing hair and flowing ties do not make a genius, but the flow of ideas does. The world may never beat a path to your door or bestow honors upon you, but if you receive one original idea about your work, trade, or profession, you will rise head and shoulders above all others about you. The world is teeming with those who say about the successes of life, "Why didn't I think of that?" The reason is that they were waiting to be struck with an idea. Do not let the years slip by, hoping for an idea with great possibilities to descend upon you. Ideas are thoughts and they can be generated, brought into realization, made into everyday realities—but you must know how.

That Mysterious Something

Have you ever had that tightening sensation in your solar plexus, that slight flush of excitement from a sudden impression that you could improve on the work of another? Have you felt the irresistible urge to create, to build, to originate, to do differently than you have ever done, and yet, do not know where to begin? It is the mysterious creative power, the spark of genius within you. Do

not let it die within your bosom for want of direction and expression. The Rosicrucians (not a religious organization) have for centuries shown men and women like yourself how to marshal their fleeting thoughts, make out of them important factors for achievement and accomplishment in life. Their simple and rational method for the direction of mind and the awakening of the dormant powers of self is founded upon an age-old system of personal development, used by the sages since antiquity.

THE MYSTERY OF "CRC" REVEALED! ROSICRUCIAN MYSTICISM EXPLAINED

THE ANCIENT PORTRAIT OF "CRC"

HERE ARE THE STRANGE FACTS

DOES HE STILL LIVE?

For several centuries students of Mysticism have asked the same question — "Does 'CRC' still live?" It is known that he lived in Egypt in the pre-Christian period and returned there again in 1290 A.D. He reappeared in Germany in 1604 and was in America long before the Revolution. So say the mystical traditions of many lands. Is he still carrying on the Great Work which a million of the world's illuminated thinkers have found to be the most marvelous instruction for man's evolution?

WHO WAS "CRC"?

He was known in Germany as "Christian Rosenkreutz." But "Christian Rosy Cross" was the name he assumed because he was the reincarnation of the Egyptian founder of the "Rosy Cross" — the oldest body of mystics the world has ever known. They were called Rosicrucians and the Rosy Cross was their ancient symbol.

THE DISCOVERY OF HIS BODY

In 1604 the Representatives of Sir Francis Bacon (writer of the Shakespeare Plays) opened a strange vault and tomb in Cassel, Germany, and there found the body of the real "CRC" in perfect condition as though asleep for the past hundreds of years. Was there a soul asleep in this body? Only the private records of the Rosicrucians contain the astounding facts which scientists and real mystics conceal from the idly curious. It was one of the principles of the Rosicrucians to keep their bodies well preserved against disease and old age. Their secret method has never been given to those outside the Rosicrucian Fraternity.

RARE MANUSCRIPT FOUND

In the tomb with his body were found the rare manuscripts of the ancient Mystic Rosicrucians containing the laws and secrets of the Magi of the Orient.

These manuscripts passed into the hands of Sir Francis Bacon and other Rosicrucians in Germany, France, and England, and the Fraternity of Rosicrucians — the Order Rosae Crucis — was re-established throughout the world under the direction of "CRC"

for the eleventh time at least. Europe has never forgotten the power and influence of the Rosicrucian Order.

SECRETS PRESERVED

Today the Fraternity of Rosicrucians continues as an exclusive, secret, mighty organization in all lands, inviting the FEW worthy seekers and students of nature's higher laws to share the guarded knowledge of the Rosicrucians. The teachings are never published in books — for the true knowledge of the Magi and Essenes as well as the secrets of the Rosy Cross would fade from print if ever put into type for public sale.

DO NOT BE DECEIVED

The mystery of life, death, disease, perfect health, how to attract blessings and gifts from the Cosmic, transmutations, telepathy, success in personal affairs, and personal mental power — all these principles in their TRUE form are taught in a different and more practical way by the Rosicrucians in SECRET LESSONS only — not by books or public classes. And, the name of the International Rosicrucians is the Ancient Mystical Order Rosae Crucis (AMORC). There is only one Headquarters in North and South America — San Jose, California.
